

Dr. Duc Vugia has more than 20 years of experience as an infectious disease public health practitioner and medical epidemiologist in the United States, primarily in the State of California. He received his medical training and Doctor of Medicine at the University of California San Francisco and Master of Public Health in Epidemiology at the University of California Berkeley. He completed an Internal Medicine residency and Infectious Disease Fellowship at the University of California Irvine Medical Center. He was a U.S. Public Health Service officer in the Epidemic Intelligence Service of the U.S. Centers for Disease Control and Prevention, before returning to California.

As an infectious disease epidemiologist and public health administrator, Dr. Vugia has worked extensively with various local, state, and federal partners and academic collaborators to investigate and manage numerous outbreaks of foodborne disease, waterborne disease, vectorborne disease, and emerging infections. He has authored or co-authored over 100 peer-reviewed articles on a variety of infectious diseases.
