

Larry Madoff, MD. Dr. Madoff is an academic infectious disease physician specializing in the epidemiology of emerging pathogens, bacterial pathogenesis, and international health. He is Professor of Medicine at the University of Massachusetts Medical School and is on the attending staff at University of Massachusetts Memorial Medical Center. Dr. Madoff serves as Director of Epidemiology and Immunization, Deputy State Epidemiologist and Interim Director of the Hinton State Laboratory Institute for the Massachusetts Department of Public Health.

Dr. Madoff has been the Editor of ProMED, the Program for Monitoring Emerging Diseases, since 2002. He is a member of the American Society for Microbiology, the International Society for Infectious Diseases, past President of the U.S. Lancefield Streptococcal Research Society, a Fellow of the Infectious Diseases Society of America and a Fellow of the American College of Physicians. A graduate of Yale College and Tufts Medical School, he performed his Internal Medicine Residency at New York Hospital-Cornell Medical Center and his Infectious Disease Fellowship at the Harvard Medical School-Longwood program.

He is the author of over 100 scientific and medical publications including original research papers, reviews, editorials and book chapters on topics involving infectious diseases and microbiology.
