

Prof. Leventhal is the director of the Department of International Relations in the Ministry of Health of Israel. Previously he served for almost 16 years as the head of the Public Health Services in the Ministry and prior to that the position of district medical officer of Jerusalem in the Ministry of Health.

Prof. Leventhal is a physician who received his M.D. and M.P.H. degrees at Hadassah Hebrew University Schools of Medicine and Public Health in Jerusalem; and a Master in Public Administration from Harvard's Kennedy School of Government. He holds diplomas in Surgical Urology, Public Health and Health Administration. He is an adjunct clinical professor lecturer in the Hebrew University and Hadassah School of Public Health. He has published more than 120 articles in his research interest fields of public health policy, infectious disease surveillance and international and global health.

Prof. Leventhal is involved in various Public Health projects, seminars and steering committees in the European region of World Health Organization and serves as a member of its Standing Committee. He believes in public health as a bridge between nations and people. He is one of the founders and chairman of the Executive Board of the Middle East Consortium of Infectious Disease Surveillance (MECIDS). He is a member of the Executive Committee of SEEHN (South East European Health Network), CORDS (Connecting Organizations for Regional Disease Surveillance) and EpiSouth (network of Communicable Disease Control in Southern European and Mediterranean Countries).

ALEX LEVENTHAL
